Faculty . . .

E.H.S. opened its doors for the 1970-71 year with competent and dedicated instructors in every area of study. Home economics had been re-established after being cut out of the curriculum the fall before. Another noticeable change was that several other faculty positions were occupied by new faces.

Bottom Left - Mr. Monson and wife at the Sno-Ball. Bottom Center - Mr. Harris working overtime. Left - Mrs. Randall teaching English. Below - Mr. Alger in the coach's office.

Faculty . . .

When large changes are made in the faculty, there are always a few moments of confusion during the first couple of weeks as both the teachers and the students learn just what is going to be expected of them.

Besides accomplishing their classroom duties, the faculty could be counted on to help the students outside the classroom. They chaperoned school dances, and were usually the first to buy things that supported the individual classes.

Student Life

The students of the 1970-71 year not only placed emphasis on book learning, but also participated in various organizations and activities that were available.

There was a peaceful atmosphere in the building most of the time, as many of the students realized that they couldn't change what they didn't like anyway. Everyone just made the best of what they had.

Homecoming!

This year's homecoming was one that displayed an abundance of school spirit. The school walls were almost completely covered by posters that were either campaigning for a homecoming queen or pushing for a Cardinal victory. The real action started Friday when Cara Gulsvig was crowned by last year's queen, Kerri Voegeli. This event was followed by a snake dance and bonfire.

On Saturday, the Cardinals smashed Enderlin by 48-0. The Third Stone provided music that night.

Cardinal Staff

Several issues of the Cardinal were produced under the direction of editors Cindi Bolliger, Maureen Hansen, and Becky Blumer. The paper contained many varieties of news, and kept the students well informed on school activities. Original writings and poetry done by some of the students were also published in the paper. Mrs. Vix was the staff advisor again this year.

Student Council

The outstanding accomplishment of this year's student council was establishing a student lounge. The room was available to all study hall students who maintained a 'c' average or better. The project turned out to be reasonably successful, even though some rules were broken occasionally. The student council also took part in planning next year's dress code.

Jr. Class Play . . .

Under the direction of Mrs. Randall, the Junior Class put on a three act play entitled "Our Town". It was very successful and drew a capacity crowd. A new technique was employed as the acting was done in front of the stage with the audience sitting in a semi-circle around the actors.

Sno-Ball

Everyone was full of Christmas spirit as they gathered for this annual event. The Sno-Ball was entitled, "A Merry Christmas to All", and sponsored by the student council.

There were many parents present for the grand march and the crowning of the king and queen. Sophomore Ernie King was crowned king, and Cynthia Watkins Sand became the 1970 Sno-Ball queen.

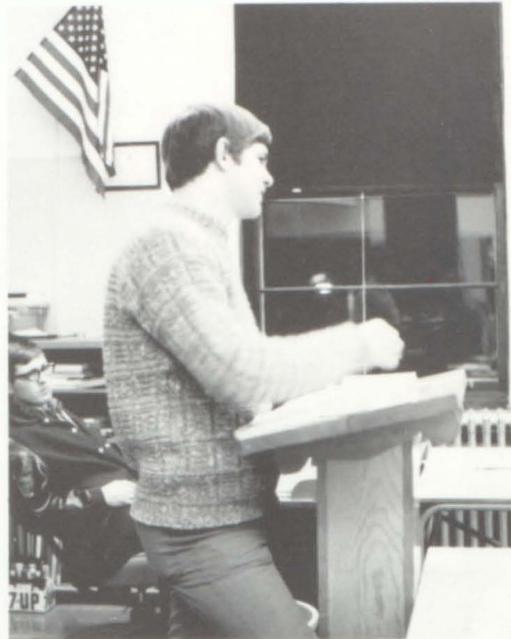

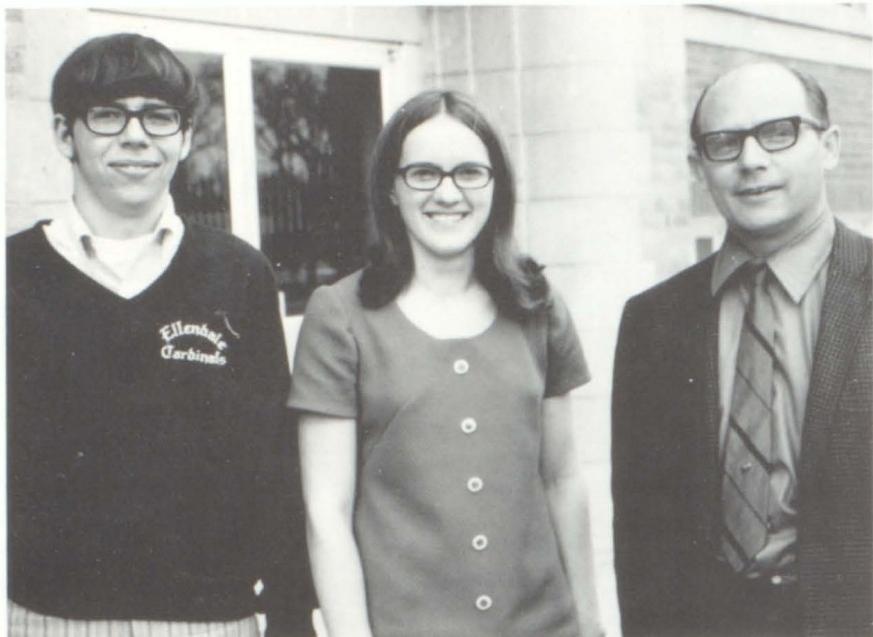

A large group of students turned out to dance to the music provided by the Third Stone later that evening.

After raising money in a variety of ways during the year, the Juniors successfully produced the 1971 Junior-Senior Prom. The Hilltop Minority provided the music.

F. B. L. A.

The Future Business Leaders of America raised money this year by handling the gate at the district basketball tournament and by sponsoring several bake sales. At the State Convention, R. Lee Ginsbach was elected Mr. North Dakota F.B.L.A. and Bernadette Mastel was elected the State Secretary. Two of the club's members, Bernadette Mastel and Dennis Markuson, attended the National Convention in Miami, Florida.

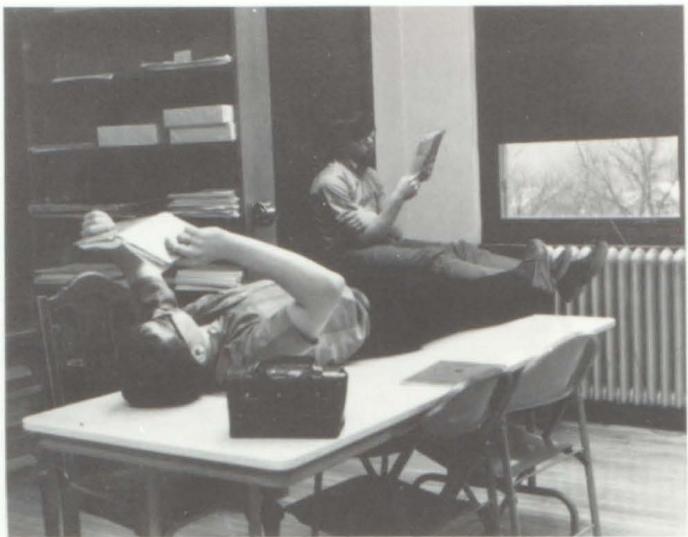

Top left: R. Lee Ginsbach, Bernadette Mastel, and Mr. Voegeli. Top right: President Dennis Markuson.

They Went That-a-Way

The Senior class play, "They Went That-a-way", was put on under the direction of Mrs. Vix. It had a cast of 10 students and proved to be a very successful performance. The western comedy was about two young ladies trying to operate a dude ranch.

As shown in the pictures, this year's staff was very enthusiastic. Even though we didn't meet some of our deadlines, a lot of time and hard work was put into producing this book. All of us on the staff hope you enjoy it.

Mr. Voegeli

The Red Bird Staff would like to express a grateful thanks to Mr. Voegeli, the advisor, for all the time and effort he has spent on the yearbook. Mr. Voegeli is leaving after having been the yearbook advisor for several years.

(Back row) Pete Graham, Tom Kendall, Linda Lamatta, Susan Redlin, Judy Bymers, Becky Blumer, Tammy Ost, Amy Bobbe, Alicia Hamar, Joel Hamar. (Front row) Laura Radtke, Mary Fischer, Carol Martilla, Cara Gulsvig, Kathy Law, Laurie Dunn, Barb Redlin.

As in the past, the pep band performed at pep rallies, basketball games, and football games. The band received a I rating at the District Festival. A jazz band was also started this year.

(Front row) Kim MacDonald, Roberta Wahl, Rachele Schock, Connie Lynde, Gail Klatt, Donna Young, Elaine Gebhardt.

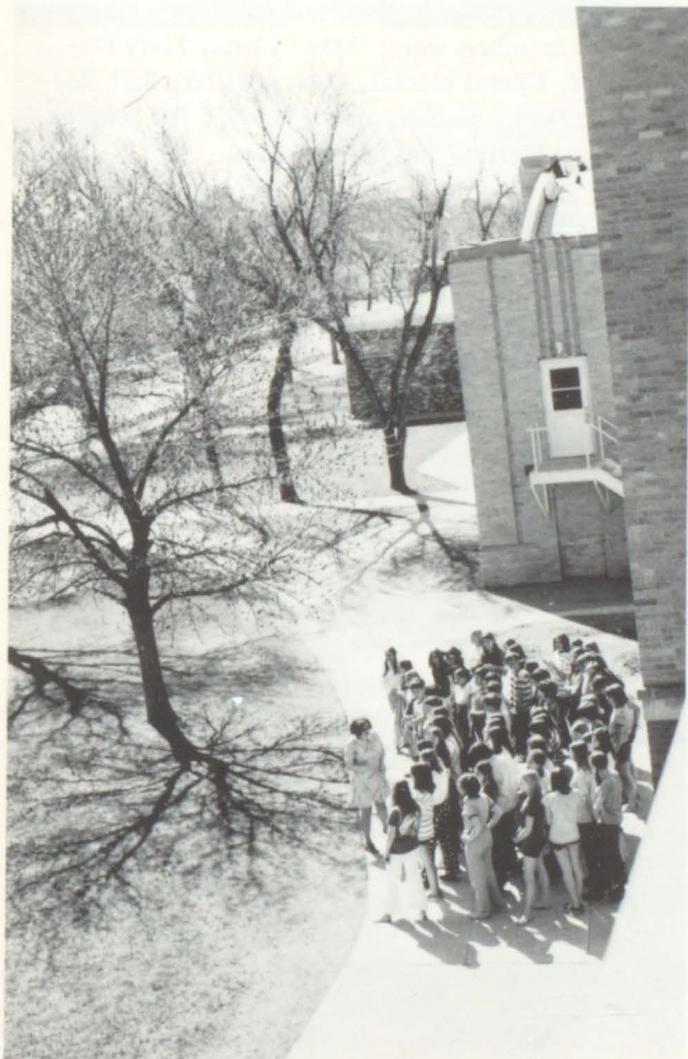

The marching band performed at the UND-EB homecoming, but their greatest achievement in this area was at Wahpeton State School of Science, when they performed in 30 degree weather. 3 instrumental soloists, 2 twirlers, and 3 instrumental ensembles took part in the State Music Festival in Minot. The Clarinet Quartet received a I rating.

Chorus

The E.H.S. Choir held their own Christmas Concert this year, enabling them to sing more selections. The "Pop Singers" were a little bit shaky this year, but a group of 11 girls provided good sounds in time for the Spring Concert.

The mixed chorus received a II rating at the District Music Festival. 4 soloists and 3 ensembles went to the State Festival. Alicia Hamar, alto, and the mixed ensemble received I ratings.

Show Team

The show team provided pom-pom and twirling entertainment for the half-time shows of many of the football and basketball games. The members were: Judy Bymers, Mary Fischer, Cheryl Merkel, Sherry Miller, Barb Redlin, Becky Blumer, Jana Kirkeby, Jill Bobzien, Susan Fryslie, and Joyce Holte.

G. A. A.

As the result of not having an advisor, the G.A.A. was very inactive this year. They started the year with the initiation of new members. After sponsoring a fun night for the "E" Club, they finished the year with a Spring picnic.

“E” Club

All the members of the Ellendale Lettermen's Club bought new coats and emblems this year. Almost half the cost was taken care of by the club, while each individual paid the rest.

There was a banquet held in May to honor the EHS lettermen. Cheerleaders and parents were also invited to the banquet.

Cheerleaders

Cheerleading is one of the important factors in promoting school spirit at athletic events. The cheering and yelling lets the team know that their fans are backing them. Eight new members were inducted into the National Honor Society this year; 4 Seniors and 4 Juniors. NHA members are (top l-r) Dwain Nell, Susan Breske, Becky Blumer, Alicia Hamar, Joe Law, Keith Hafey, Tom Bunn, R. Lee Ginsbach, Marilyn Mastel, Cara Gulsvig, and Cindi Bolliger.

The American Legion and the American Legion Aux. are the sponsors of Boys' and Girls' State. EHS was represented by three boys and two girls this year. The Boys' State delegates, (Front row, l-r) Elliot Meidinger, Ned Davis, Joe Law; alternates (Back row, l-r) Greg Roehl, Gary Linder, John Kaiser. Girls' State (l-r) delegates, Lou Ann Voegeli, Becky Blumer, alternates, Alicia Hamar, Jana Kirkeby.

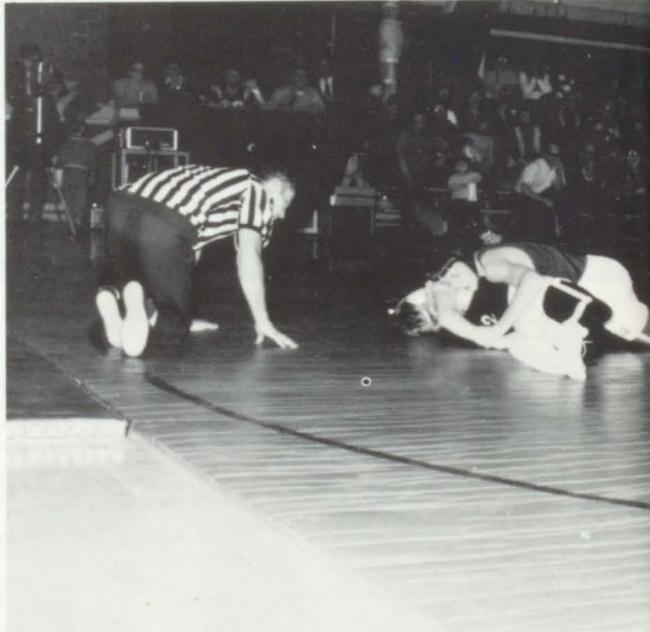

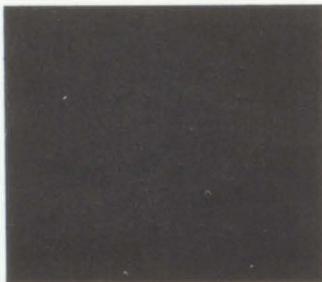

Graduation

The long awaited graduation exercises for the class of 1971 took place on the night of May 28. There were 36 graduates. The graduation address was given by Dr. Eugene Hotaling, the Director of Counseling and Testing at Valley City State College.

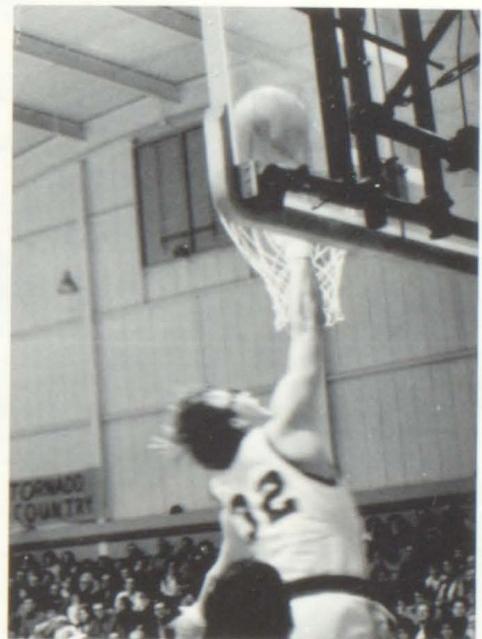

Sports

In education, the development of the body is as important as the development of the mind. This year's Cardinal teams were football with a 4-4 record, basketball with a 17-8 record, wrestling with a 9-6 record, track, and girls' track. The basketball team placed 1st in Districts and 2nd in Regionals, while the wrestling squad sent two wrestlers to State.

Football . . .

Under coach Lee Alger, the Cardinals started practicing for the 1970 season in mid-August. The team dropped their first two games to Frederick and Edgeley. However, the Cards showed their fans that they were capable of playing some good football, and soundly defeated Kulm and Enderlin in their next two outings. The Ashley and Oakes games were heartbreakers for both the team and fans.

The season closed with two more victories, giving the Cardinals an overall record of 4 wins and 4 losses.

The Cardinal's offensive team was led by Mike Walock who scored 96 of the 160 Ellendale points. He set a new conference rushing record by fighting for 1376 yards in 209 carries, an average of nearly 6.6 yards per carry. Although the line wasn't always as big as the opponent, they did a good job and threw a lot of blocks.

The defensive standouts were Mike Walock, Boyd Sand, Ralph Wallace, and Steve Bobzien. Along with their teammates, they held the opponents to 80 points in 8 games.

Basketball Fever!

After placing 4th in the S.E. Conference with a record of 9-5, the Cards made their comeback. Under coach Richard Hanson, they placed 1st in District and 2nd in Regionals. Their overall record was 17-8.

Most of the Cardinal power came from its Seniors. There were 7 seniors on the team, 4 of them in the starting five. Greg Roehl, a junior, was the other Cardinal regular. The scoring leaders were Mike Walock with 507 pts., Boyd Sand, with 291 pts., and Greg Roehl with 251 pts.

The above pictures express the happiness that was felt by all Ellendale players and fans when the Cards won the District Championship. After this, the Cardinals advanced to Regional play. They defeated Oriska in an exciting come-from-behind game, but lost their fire in the championship game with Wyndmere and had to settle for 2nd place.

Coach Alger's "B" Squad was very powerful this year. They were known particularly for their strong defense, and compiled a win-loss record of 17-3.

Team members include: Standing (l-r): Coach Lee Alger, Allen Miller, Pete Graham, Russell Grueneich, Mark Blumer, Steve Hastings, Rick Ulmer, Joel Hamar, John Coleman. Kneeling (l-r): David Heine, Mark Wickre, Ernie King, Will Bernhagen, Gary Boekelheide, Tim Ost, Kirk Hird, and Richard Iszler.

Wrestling

For the 1970-71 wrestlers, this was a year of building and gaining experience. Of the 12 varsity wrestlers, only 3 of them were seniors. The team should be very powerful next year.

Many of the meets were close and full of excitement. Wrestling proved to be very popular in the community, as there was a good turnout for every meet.

Even though this was a building year, the cards compiled a record of 9-6, placed 2nd in conference, 8th in Regionals, and sent two wrestlers to State. They were Randy Merkel at 98 lbs. with a record of 21-1, and John Kaiser at 138 lbs. with a record of 17-3. Merkel placed 4th in State competition.

Track

Unlike football and basketball, track is a sport that puts less emphasis on team work. Instead, the responsibility of winning is placed on each individual. Each man must have the determination to work at bettering himself.

The Cardinal track team was very strong in field events this year. With Mike Walock throwing the javelin, shot, and discus, and Steve Frysle in the high jump, pole vault, and long jump, the team compiled enough points to take first at the conference meet and tie for 2nd at the district meet.

Excitement!

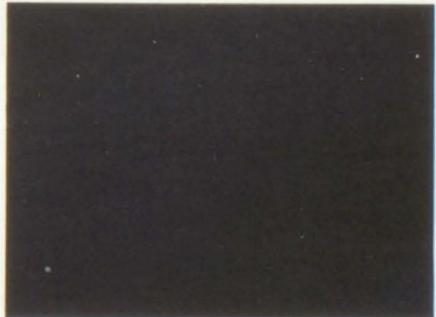

State qualifiers were: Mike Walock, javelin and shot; Steve Frysle, high jump; and Boyd Sand, high hurdles. At State, Walock broke the state javelin record by over eight feet. He heaved the spear 197'5". He also placed 4th in the shot. Sand and Frysle didn't place at the state meet. All three state qualifiers were seniors.

Under Coach James Johnson, the 1971 season was used for gaining experience. Of the 18 girls out for track, there was only 1 junior and 1 sophomore. The rest were 7th, 8th, and 9th graders. They placed 5th at the Conference meet and had 6 pts. at the District meet. There were no state qualifiers.

Classes

Classes, the divisions of our educational system, are used so that all students will be competing with others in the same age bracket. They also make it possible for a large number to receive the same information at the same time.

Seniors

The motto of the graduating class of 1971 was, "Write Not Our Destiny in Dust". The class colors were burgundy and white, and the class flower was the Iris.

Community

The relationship between the community and the public school system which it supports is one of social interdependence. The students, faculty members, and townspeople must work together with the common cause of bettering our community. The spirit of the school and of the community are very much affected by the other.

Involvement

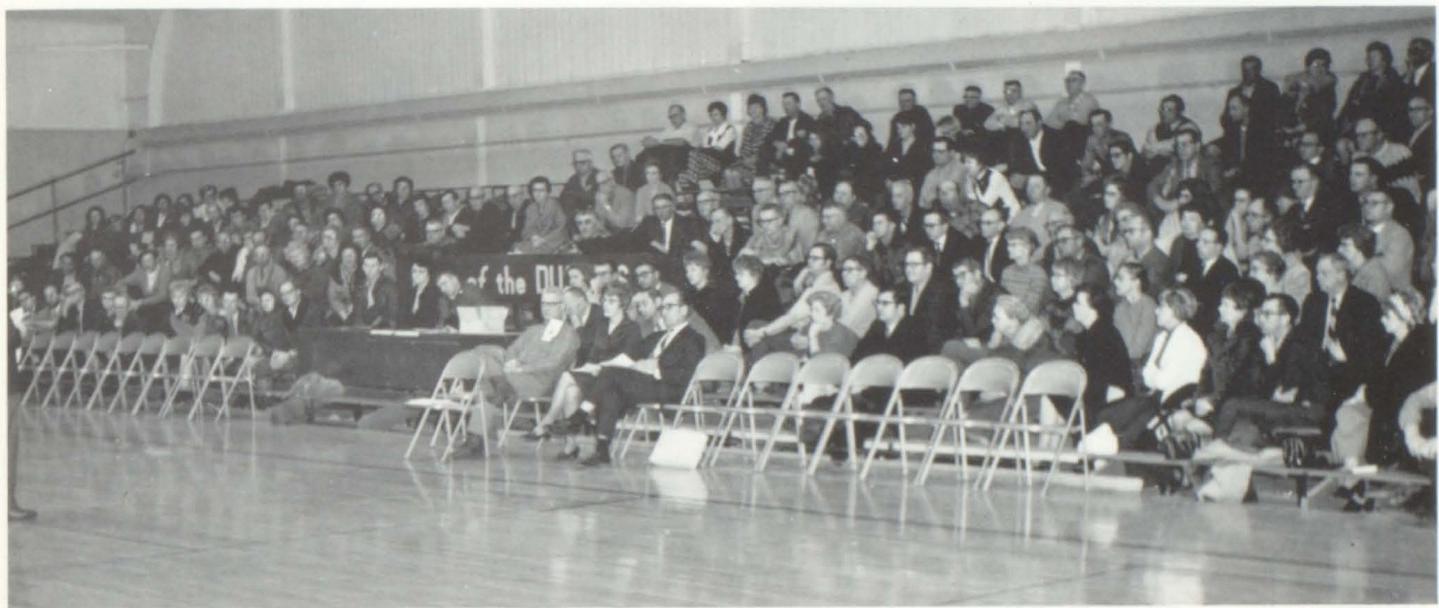

Ellendale, a rural community with a population of 1800, is one of religious spirit and is composed of people who involve themselves in many activities. A rodeo, a harvest festival, and a sno-mobile derby were held this year. Everyone takes pride in their work and is always trying to better the community.

Participation

Construction

As the youth are an important part of any community, Ellendale's newest construction job provided a new recreational cage (bottom right). It is intended to provide the youth with a pastime as well as build their bodies. The cage consists of four basketball hoops and two full tennis courts.

College Closes

After much public debate and legislative action, the Ellendale Junior College was forced to close on June 1. It was a great blow to our community, as the college was responsible for providing much of the town's growth and prosperity.
